Dear **Fellow Educator**,

The Philippine Educational Measurement and Evaluation Association (PEMEA) is pleased to invite you and your colleagues to its Continuing Professional Development Program (CPDP) on Research Writing for Publication. It will be held on **July 7 to 8, 2017** at the **Plenary Hall, South Bldg. 2nd Floor, Mapua University, Intramuros, Manila**.

The CPDP on Research Writing for Publication aims for the participants to: (1) revise their existing research based on the feedback provided by the assigned mentor; (2) rewrite the research into a format that can be submitted for publication in journals; and (3) structure the research paper to highlight the novelty of ideas. The writeshop will be an opportunity for participants to work on their paper based on the feedback of a mentor that will be assigned to them. The workshop will start with an introduction about the rigors of publishing and most of the time will be spent for revising the paper as guided by a mentor. Participants who will be joining are requested to send their full paper in advance to [pemea2008@yahoo.com](mailto:pemea2008@yahoo.com) (subject line: paper for June 23 seminar) so that initial review can be provided. Submit the paper until Jun 10, 2017. During the CPDP participants need to bring their own laptop, pocket wifi, and extension cord.

The registration fee for the CPDP is Php 2,000.00 which includes conference materials, lunch and snacks.
